

LA MEJORADA
BODEGAS Y VIÑEDOS

CABERNET SAUVIGNON 2015

PGI Castilla y León

Terroir Single Vineyard

La Mejorada winery and its vineyards have been set up in an old **Jerome monastery**, founded in the 15th century by Fernando I of Aragon. Thanks to the architect **Rafael Moneo** and his family, the monastery of **La Mejorada** is, today, almost entirely restored and adapted to the typical activities of a winery.

THE PLOT

The weather conditions in Castilla are not the most favorable for the biological cycle of the **Cabernet Sauvignon** variety to be completed. In **La Mejorada**, the exceptional climatic years for this variety have given us enough encouragement to produce a unique, single-varietal wine in a traditional way. The soil is deep, well-developed, with a distinctly sandy texture. With a pH of 8,9 (alkaline) and no active limestone and good drainage. At depth there is a layer of fine clay that helps the plant to reduce summer water stress.

HARVEST

During the autumn the temperature was above average, being extremely warm and wetter than normal. The winter was very cold, without much precipitation. Spring was very warm and very dry with little rainfall. The summer was also extremely hot, with average temperatures 2°C above normal and very humid. **The grapes were harvested** under optimal conditions of temperature and humidity. **Dates:** October 9th (Manual).

ELABORATION

We try to respect as much as possible the artisanal winemaking processes with minimal intervention. Cabernet Sauvignon is a unique edition for our wine lovers. **Ageing:** 12 months in French oak barrels. **Bottling date:** September 6th, 2019. **Alcohol content:** 14,5% vol.

TASTING NOTES

Bright garnet red color, high layer. The nose is fresh, black fruit (blackberry), red fruit (red currant), spicy, balsamic, roasted, resinous. The palate is balanced, powerful, fresh, unctuous, silky tannins and long aftertaste, fruity, roasted and spicy. Ready to drink, but with great cellaring potential.
